What's new in the world of Recycling?

Mardi Gras New Orleans, Feb. 17th

French Quarter Recycles Mardi Gras Beads!

The French Quarter Management District is expanding its Mardi Gras sustainability efforts by partnering with downtown hotels to recycle thousands of pounds of discarded beads, an initiative that more than doubled its collection totals last year.

(The Program is operated by New Orleans-based Glass Half Full.)

- * 16 French Quarter hotels join 2026 bead recycling program
- * 10,705 pounds of Mardi Gras beads recycled in 2025!

Purple Represents Justice. Green Represents Faith. Gold Represents Power.
